Neighbors like Jennifer.

Jennifer had always wanted a home of her own, but the process of buying a house was complicated and intimidating. OnTrack's Homebuyer Program helped Jennifer develop the knowledge and confidence to successfully navigate the mortgage and home purchase process. She decided to move back in with her parents temporarily to reduce her expenses, save for her down payment, and build an emergency savings account. Thanks to OnTrack, Jennifer knew her affordability range, and waited patiently for a house that fit her budget and met her needs.

Now she and her pets are looking forward to life in their new home!

When you give to United Way's Community Investment Fund, you are supporting 38 programs at 19 local agencies here in Henderson County, as well as 30,000 people who benefit from these services. People like Jennifer. That's a big impact and another way you make a difference!
