

# United Way fights for the health, education, financial stability, and basic needs of everyone in Henderson County.

**For every dollar raised, we put over a dollar back into improving our community!**

## **A note from a Henderson County teacher:**

**“Thank you and all the folks at MANNA for your continued assistance by providing MANNA Packs. The needs of our families are much greater this year and this program is a wonderful benefit to our children.”**

Over 45,000 children in Western North Carolina rely on free and reduced school lunch. Many of these children face weekends where they literally do not have enough to eat until next Monday’s breakfast at school. MANNA FoodBank is committed to ensure that they do. Every Friday, a bag of nutrient-dense food is given to thousands of local school kids in Henderson County to ensure they do not go hungry over the weekends. Remarkably, even amidst Covid surges, MANNA still managed to deliver 15,020 MANNA Packs to 16 schools in Henderson County this past school year, providing 580 children with food each weekend.

**When you give to United Way’s Community Investment Fund, you are supporting 35 programs at 20 local nonprofit agencies. With the power of one gift through United Way of Henderson County, you are helping make a positive and lasting impact in the lives of over 35,000 neighbors across our community.**
