Your support of United Way helps 30,000 of your neighbors every year.

Neighbors like these.

One in four children were facing food insecurity even before the COVID-19 health and economic crisis hit our region. Since March 2020, MANNA Foodbank has distributed over 740,000 pounds of food to families in Henderson County through food distribution centers who receive ongoing funding from United Way and emergency funding from the Henderson County COVID-19 Response Fund.

When you give to United Way's Community Investment Fund, you are helping vulnerable families across our community with food, shelter and crisis services. We support 38 programs at 19 agencies, and your dollars are making life better for 30,000 of your neighbors.

That's a big impact and another way you make a difference!

TOGETHER, WE CAN LIFT UP OUR COMMUNITIES
