

# UNITED WAY OF HENDERSON COUNTY

## 2023 Days of Caring Sponsor (May 12-13, 2023)

Days of Caring is United Way of Henderson County's signature community-wide volunteer event that appeals to a wide array of businesses, community members, and nonprofits.

The two-day event, scheduled for Friday, May 12 and Saturday, May 13, 2023, focuses on volunteer opportunities. On Friday, community volunteers give time to local nonprofit organizations to provide hands-on support in the form of outdoor and indoor maintenance and organizational projects. Saturday's offerings also include assisting with the National Association of Letter Carriers' Stamp Out Hunger® Food Drive, through food collection and packing donations to local food pantries.

Days of Caring is an eagerly anticipated occasion that engages many sectors of our community. The event has long been a popular initiative that demonstrates the good that can be accomplished when the community works together. Traditionally, this event brings together over 400 volunteers working on 30 at nonprofit locations throughout Henderson County.
