

# UNITED WAY OF HENDERSON COUNTY

## 2024 Day of Action Sponsor August 1, 2024 (Rain Date August 2, 2024)

Day of Action is a highly anticipated and impactful community-wide event serving Henderson County Public Schools. Each August, hundreds of volunteers spread across the county to support our local schools. This year, our school leaders have told us that they would love help with the outside landscaping and beautification projects that create a welcoming environment for children who are coming to campus for a new school year. Whether it is mulching, trimming bushes, or planting flowers, outdoor projects are available for volunteers of all ages.

Day of Action showcases community support for our students and families as well as HCPS teachers and staff by sprucing up our wonderful schools for a fresh school year. It mobilizes hundreds of volunteers every year who want to make a difference.

Day of Action Sponsorship Benefits & Opportunities	\$1,000
