

Days of Caring 2021 feeding Henderson County

Since the pandemic,
1 in 5 adults and 1 in 4 children
struggle with food insecurity in Henderson County.

Local food pantries have seen an **almost 50% increase in residents needing food assistance this year**, according to our partners at MANNA Foodbank. Many who have never needed help before are finding themselves needing assistance.

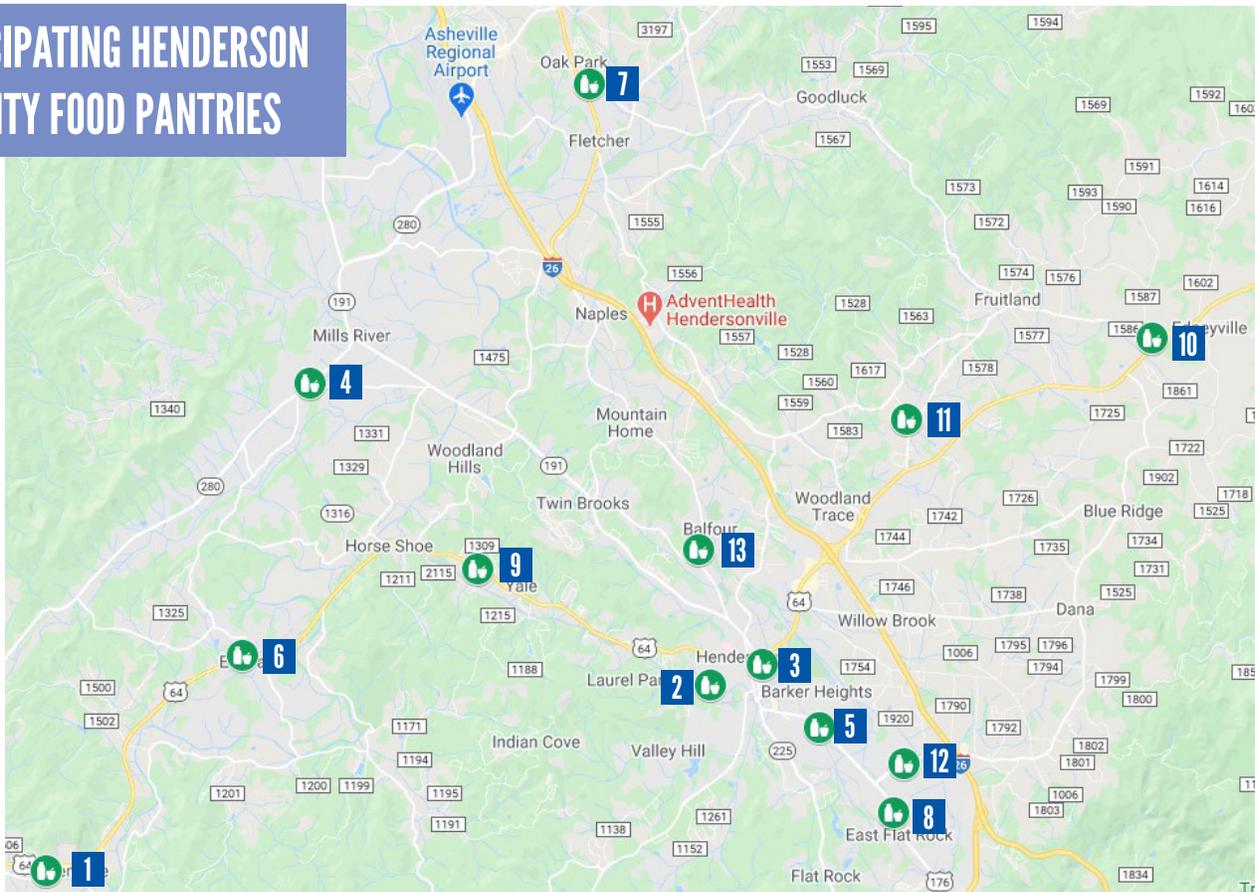

**While we cannot gather in-person to volunteer this spring,
we can still unite to make a difference for our community.
Text the word 'UWCARES' to 71777 to help**

YOU CAN:

- Make a donation in any amount to directly support 13 local food pantries right here in Henderson County (See back side for pantry list and map.) Thanks to the generosity of donors Tom and Sue Fazio, all financial donations up to \$25,000 will be matched!
- Organize a food drive at your workplace, church, or neighborhood/civic group: UWHC can provide you with suggested donation lists and connect you with a pantry near you. You spread the word, collect the food donations, and drop them off at the designated pantry on the specified date.
- Purchase and assemble Kids' Snack Packs: UWHC will provide you with supply lists and instructions, and connect you with a pantry near you. You purchase supplies and assemble Kids' Snack Packs from your home or workplace, and deliver to the designated pantry on the specified date.
- Challenge your co-workers or neighbors: Create a team and multiply your impact. Try to meet or beat our Neighborhood Challenge of \$100 or our Company Challenge of \$500.
- See reverse side for full list of pantries that will benefit from this Days of Caring initiative. And share the map and contact information on the back to make sure your neighbors in need know where to find food resources close to them.

PARTICIPATING HENDERSON COUNTY FOOD PANTRIES

Pantry hours and days can change. Please call before going to pantry.

(Pantry information is provided here for those who need food assistance. Please do not contact pantries to arrange for food drive or Kids' Snack Packs unless UWHC has assigned you to a specific pantry for your project. Email skowalak@liveunitedhc.org to sign up for either project.)
